A middle-weight strategy game,
card driven board game with
bluffing elements. From the
veteran game designers Andrea
Chiarvesio (Kingsburg, Olympus
and Wizards of Mickey) and
Pierluca Zizzi (Caligula), it is the
first step of Lo Scarabeo in the
boardgame world.

Players will represent different
paths for Fate, and will try to
shape the destiny of those Houses
to best suit their goals.

The game is played with a regular
Tarot deck, used to move the
game pieces on the board.

Skill, bluffing, intuition and read-
ing your opponent's moves are all
skills required to gain victory.

The game contains a full 78 cards
Tarot deck, illustrated by Patrizio
Evangelisti.
